

FOR IMMEDIATE RELEASE
TOWN OF KINDERSLEY

January 28, 2021

Residents of Kindersley,

One of our staff members at the Town of Kindersley Administration Office informed us that they have received a positive test result for COVID-19. They are self-isolating and will continue to do so until they are instructed otherwise by the Saskatchewan Health Authority and are symptomatic free for 48 hours.

We have been in contact with the Health Authority and are following the directions they have provided. The health and safety of our staff members and the residents of the Town of Kindersley is important.

Our main concern is to continue to provide services to the residents of Kindersley while keeping our staff members safe and healthy. The Town of Kindersley Administration Office will be closed until Monday, February 1, 2021 for deep cleaning. The remainder of our departments will be open, and essential services will not be disrupted. We will continue to encourage our staff members to seek testing and to undergo self-isolation if they feel any COVID-19 symptoms.

We thank the Kindersley and area residents for taking the necessary precautions to keep our community safe.

Town of Kindersley Administration
