

Kindersley is the host to the first ever combined Sasktel Men's Tankard & Viterra Women's Curling Championships in January 2025!

This large event will be taking place in the West Central Events Center (The WCEC Arena) and will be televised. Tickets will be on sale Sept 21st, 2024.

This Provincial Championship will bring 24 (12 men's & 12 women's) teams, CURLSASK staff, many event volunteers, officials, media, coaching staff, families, and fans to our community over a two-week span. This is an incredible opportunity to showcase Kindersley, our curling club, and the West Central Region, while benefiting our local businesses and hospitality services.

All 24 curling teams will be competing on the West Central Events ice surface. Our entertainment spaces will utilize both the WCEC lounge and the curling rink lounge. The curling rink ice will be a practice surface for the curling teams. Our host committee has so many plans in the works, and we cannot wait to share all the happenings with you! Stay tuned!

Huge shout-out to our committee members, it takes a great team to put on an event and we have that! Thankyou Rachelle McGrath, Randy Graham, Shaun Henry, Nicole Newmeyer, Brent Triffo, Jacquie Armitage, Deavin Vanthuynne, Heidi Marchant, Laurie Kelly, Sherry Down, Amanda Longmuir, Colleen Oscar-Swan, Joanne Kosolofski and the Kindersley curling club board members for all your efforts!

Thankyou
Host Committee Chair, Lexie Adamson
