

Mission: To empower rural curlers through shared learning and mentorship, while encouraging collaboration and creating opportunities that ensure the game continues to thrive in our communities.

In this curriculum-based academy there will be six sessions throughout the season happening monthly. This academy is focused on introducing Curlers (with emphasis on Juniors) to each other, playing at different clubs to see different ice, connecting the rural areas, and bringing passionate & talented coaches in to share their modernized knowledge with the next generation.

Coaches & Mentors include:

Kelly Schafer, Amber Holland, Brian Champion, Dan & Kevin Marsh, Beau Cornelson, Jeff Chambers, Chris Haichert and many more

All coaches have coaching certifications.
